Mission Statement: 3 Amigo's Sportfishing is dedicated to providing clients with a safe, exhilarating, productive charter experience. 3 Amigo's Sportfishing will never discriminate against anyone, regardless of race, nationality, age, gender, or sexual preference. We are passionate about fishing and we look forward to sharing it with you and our goal is for you to have fun and enjoy your time on the water.

On board the "3 Amigo's" you will have a captain that is experienced in traversing the seas as well as finding the fish that we are targeting. In addition to being able to run the cockpit for the day of fishing, your mate will be familiar with safety procedures and work hard to ensure your comfort. 3 Amigo Sportfishing welcomes anglers to be as "hands on" as they would like to be. If you'd like to watch how we rig and familiarize yourself with some of our tactics we'd enjoy showing you. If you'd like to "gaff" a fish we'll let you! Questions are encouraged!

Sun, rain, lightning, sea spray, and any other weather conditions; sea sickness; pitching and rolling; slippery and wet decks; injuries, internal or external, from: boarding and disembarking the vessel; fish, fishing, fishing tackle, and gear; and the unintentional conduct of any other persons on the boat.

I understand and agree that I will not hold the Captain, Crew, or Corporation liable for risks and hazards associated with inshore or offshore fishing, and I expressly release them from all such risks and hazards. Moreover, I am not in possession of any illegal substances, and I release the Captain, Crew, and Corporation from any liability whatsoever for any illegal actions taken by myself on the vessel.

What IS included in your charter: your charter will include all the gear, bait, fuel, and ice necessary to supply your day of fishing. Clients are more than welcome to bring their own gear if they'd like. Except for small food/drink coolers, clients should leave coolers for their catch in their vehicles. Typically we are able to supply ice following our return.

What is NOT included: Beverages and food are not supplied. We always have a case of water on board, however this is typically reserved for emergency use. If bringing sandwiches, we suggest you place them in ziplock bags to ensure dryness.

Sea sickness: Sea sickness can occur to anyone, we suggest that anyone who has even the slightest concern about being seasick takes an over the counter motion sickness medicine prior to departure. It's cheap insurance to make sure you have the most enjoyable day on the water. In the event that you become sick, the front of the boat has plenty of room to stretch out and has a cushioned deck.

Alcohol/Drugs: Beer is permitted on the trip. No liquor, please. Beer MUST be cans, NO bottles are permitted per Coast Guard regulations. Please limit your alcohol consumption. We believe 100% in being safe and responsible on the water. Your Captain and mate will never have so much as a drop of alcohol on your trip. Absolutely NO DRUGS of ANY sort! The last thing I want is to cut the trip short and call the Coast Guard for them to meet you at the dock. Any trips cut short from alcohol or drugs will not be issued a refund.

Cancelation Policy: Cancelations can be made, with no penalty, up to 15 days prior to the scheduled day of your trip. Your deposit money will be refunded or placed toward a rescheduled trip, whichever you request. Cancelations made between 14 and 8 days of scheduled trip will be subject to 50% forfeit of deposit if trip is not rescheduled to another date. Cancelations made within 7 days of scheduled trip will result in a 100% forfeit of deposit if the day cannot be booked to another party. If it is booked, you may use your deposit for a future trip. No shows on the scheduled charter date will result in 100% forfeit of deposit.

Weather and Seas: The Captain is constantly following current weather/sea conditions and future forecasting. If the Captain deems seas not conducive to safe fishing conditions, the Captain may cancel the trip. If the Captain cancels the trip, you will be issued a refund of your deposit or credit toward a future booking, whichever you prefer. In many instances we will contact our client prior to a trip to bring you up to speed on conditions. If the client opts to cancel due to seas that may prove uncomfortable, your deposit can be applied to a future trip.

Tackle, gear, and equipment: Thousands of dollars in top of the line equipment is invested to make your experience productive and enjoyable. We ask that you take care in handling our gear. The Captain and crew will be there to help keep things problem free and educate you in proper handling. In the event that a passenger proves negligent in the handling of gear and breaks/loses something you agree to pay the replacement cost of such gear. This would be a rare occurrence but a couple examples would be dropping something overboard or throwing something on the deck or stepping on it, causing breakage.

Make-Up Trips: Make-up trips are offered on a per person basis which each individual pays a flat rate of \$300.00 per person for a 12 hour offshore trip. Trip fare is to be paid in full at the time of the booking.

Mate/Tips: Your mate is working for your tip. He/she will be working hard throughout the day. This is “fishing”. Some days are better than others regarding our catch. Please base your tip on the work that the mate put in to catch fish as some days we’ll limit out and some days we won’t. 20% of the trip cost is customary for tipping.

Fish cleaning: There is a top notch cleaning service and “Hook ‘em & Cook ‘em” at Indian River. Upon return to port if you would like your fish cleaned for you, they will be happy to do it. We can pull the boat up directly to them where we will unload your catch. The cost isn’t much and it is customary to tip the person the cleans the fish. Should you wish to take your catch home to clean, we will gladly help load your coolers in to your vehicles.
